

ABOUT ME

"Just don't give up trying to do what you really want to do. Where there is love and inspiration, I don't think you can go wrong."

This quote perfectly describes my connection to the IT field.

WORK EXPERIENCE

SUPER DEV

01.2020 - 03.2023

Frontend developer with ReactJs / VueJS

- Developing different UI interfaces, implementing features in existing projects, doing code review and code refactoring
- Maintaining a CRP app for dentistry. Usual weekly work implies improving clients search, complex filtering and sorting, adding new feature like calendar, planner, sms campaign.

HCL TECH

09.2023 - Present

Service delivery specialist / Developer

- As a service delivery specialist managing client communication for Microsoft Develop and send precise, proffesional emails, enchancing costumer experience

Fast Learning

SPECIAL SKILLS

Leadership skills and teamwork. I own a company with several employees.

I am usually the heart of any group because I am a very sociable person.

Patience to see anything through the end, not giving up, no matter how hard the task is.

IULIAN NEGRILA
